## WHAT YOU SHOULD KNOW....

Due to space limitations, the first 200 cars that are registered are guaranteed a spot on the show field. Any additional cars will be placed only if space is available.

All cars must pass through the main show entrance for registration procedures, and then will be directed to park by the VMOA show committee. Due to field constrictions, trailered cars will be directed to a separate area for unloading.

Day of Show entries will be placed in a special class of their own and not part of the other classes on the field.

Event Dash Plaque will be issued to the first 200 show entries.

Spectators are free!

'FOR SALE' SIGNS, carpets, mirrors, canopies, or jack stands are *NOT* allowed on the show field.

*(NOTE: There will be adequate shade in the club booth area).*

CARS MUST REMAIN ON THE SHOW FIELD THROUGH THE ENTIRE JUDGING PROCESS TO BE CONSIDERED FOR TROPHY CONTENTION.

### AWARDS PRESENTATION

We will present the awards for the Car Show on the show grounds at 2:00PM. There will be an awards procession for the first place car in each class.

**JUDGING PROCEDURES:** Participant's Choice (Peer Judging) is the process of having your car judged against other cars, by your PEERS. "PEERS" are defined as the owners and drivers of other Mustangs and Fords in the Show.

As a car show participant, you will be given only one (1) ballot per car entry, to vote for your choice of car in each and all classes by writing the car's entry number in the appropriate class box. No other ballots will be given out; therefore, only car show participants will be allowed to vote. Your car will be judged only by other "MUSTANG-SAVVY" people, such as yourself. You may use your own standards to determine the judging criteria for each class.

The judging deadline is 12:00PM SHARP! Drop your ballots in the ballot box at the VMOA club table.
