

MILE HIGH CRUISE TO LAKE ARROWHEAD

If you are looking to get out of town to some beautiful mountain scenery topped off with a charter boat cruise of Lake Arrowhead, then Saturday, August 18th is designed for you. This cruise will originate from GAS, leaving at 9:00 a.m. and traveling to Lake Arrowhead via the 210 freeway east. We should arrive by 11:30 and have lunch at Lake Arrowhead Pizza overlooking the lake. The Lake Arrowhead village has a wonderful collection of shops to explore after lunch.

The charter boat cruise will leave at 2:00 p.m. for a very informative trip around the lake. With lots of warm weather this event will offer great lake history and many spectacular homes with historical backgrounds. There is no cost to go on the cruise to Lake Arrowhead, but lunch and the water cruise will be handled by each participant. If you wish to be part of this exciting event, please fill out the reservation form and return it to MOCC by August 5th, 2018.
