

A CRUISE TO THE AUTOMOBILE DRIVING MUSEUM

SATURDAY, AUGUST 22, 2020

MOCC will again be cruising to El Segundo to see the latest cars in the Automotive Driving Museum. At the museum, docents will take us on a tour of 75 cars, ranging from a superb 1886 machine to cars in the late '80's. In addition to the cars, they also have a great library so you can check out their great books. The cost of the tour is \$10.00 per person, which needs to be pre-paid to our club by August 18, 2020. Lunch is planned at a nearby restaurant after the tour.

We plan to leave Galpin Autosports at 9:00 a.m. If you live on the Westside or South Bay, you can meet us at the museum at 10:00 a.m. Guests are welcome to join the tour and must also be pre-paid. The cut-off date of August 18th will be strictly enforced.
