

ON THE TRAIL TO WRIGHTWOOD

Our October 24th, 2020 cash poker run will be traveling in territory never before traveled by MOCC members. State route 2 from the 210 freeway will be the route we take with some special stops along the way.

We will leave GAS at 8:30 after drawing our first card and then travel the 405 to the 118 to the 210 and then hop on the 2. This drive should be congestion free, with lots of great scenery along the way. David Gardner has designed the route so you can count on it having all the necessary ingredients for fun. There will be three stops along the way and then lunch at the Grizzly Cafe in Wrightwood. Hands will cost \$10.00 each with no limit on the number of hands that you can play. The first place winner will get 40% of the pot, second place will get 30% of the pot and third place will get 20% of the pot. The pre-registration deadline is October 21, 2020!
