

AREN'T WE THE LUCKY ONES!

Truly living in the car capital of the universe, we can simply pick up the phone and we are off to some exciting venue featuring outstanding cars. Just think, those good Mustangs in other parts of the country have to put away their toys during the winter, and we in Southern California just keep driving right on throughout the year. Speaking of driving, are you ready for the MOCC tour of the Nethercutt Automobile Museum in downtown Sylmar, Saturday, March 25, 2023. This will be a tour of some of the finest automobiles in existence. The tour will start at 10:00 a.m. and last for two hours. After the tour you can visit the Nethercutt collection of cars, and also see a 1937 restored steam locomotive and a custom built Pullman car.

The event is limited to 35 MOCC members and reservations will be taken up through March 1, 2023. There are no jeans, cut-offs or sandals allowed. Cameras are permitted, but no flash photography and video are allowed.

There is a lunch planned after the tour at a nearby restaurant.

Cost of the tour is \$10.00 per person.

Make your check out to MOCC and mail it to: Jim Duthler
