

**LAKE GREGORY CRUISE**  
**A SUPERB TIME TO ENJOY A MOUNTAIN SETTING**  
**SATURDAY, JULY 26, 2025**

How about an electric boat cruise around the lake, or cruising through many antique shops, or a fabulous lunch at Tony's Mexican restaurant, or even a free trip through a mountain museum, and for those wishing to stay overnight, the North Shore Inn offers great room rates. Such are the many possibilities one can enjoy at this beautiful mountain community only two hours from Los Angeles.

Our club visited the lake ten years ago, but only for a short time during one of our Lake Arrowhead Poker Runs. A thirty minute stop only gives you a quick look at the possibilities of a complete day to play. So, back we go to enjoy all the many offerings of the community.

Our plan is to leave the valley around 7:30 a.m. and land in Lake Gregory around 9:30 a.m. Touring the town for a couple of hours, visiting antique shops and other merchants, and then on to lunch at Tony's restaurant and his beautiful outdoor patio! After lunch electric boats are available at Duckies Boat rental. Boats can carry 10 guests and a lake tour can be accomplished in an easy hour (we get to drive the boats, so lots of fun!). A boat ride will cost \$14.00 per person.

The entire day does not have to conclude as the North Shore Inn can provide for a comfortable overnight stay. Make your reservations early as this cruise could be on everyone's radar.
